## Recommendation Letter

To whom it may concern,

This letter is a recommendation letter for Mr. Zakaria Erritouni.

Mr. Zakaria Erritouni is a valuable asset of our organization. When Zakaria first began working at Al-Huda School, he showed real enthusiasm for IT work. Subsequently, he has assisted in many IT projects, and has made great contribution to the development of our technology mediums. As the current network & server administrator, Zakaria plans, organizes, and executes all IT related activities and functions; he also creates, maintains, and enforces standards and procedures for implementing technical solutions. In order to better manage our donors database, Zakaria created for us a system to manage pledges, payments, and gifts. Moreover, Zakaria is in charge of training staff and volunteers to use our technology platforms.

As the executive director of the Al-Huda Society, a local community charitable organization, I interact closely with many staff & volunteers. I consider Mr. Zakaria Erritouni to be thoughtful and very responsible about the tasks & duties assigned to him. Also, Zakaria has a wonderful rapport with people of all ages, and he is constantly well behaved and respectful to everyone. He has a very positive attitude, and always eager to help and take initiatives. In my opinion, Mr. Zakaria Erritouni unwavering devotion to his community exemplifies strong moral fiber and character.

I believe that Mr. Zakaria Erritouni's excellent character, and his desire to succeed in his career, will make him an excellent candidate for any organization.

Yours sincerely,

Mohamed Lamaallem  
Executive Director  
Al-Huda Society
